Course Descriptions

NEW JERSEY PRENEED FUNERAL ARRANGEMENTS (2 CEUs)

Participants must attend both segments of the in-person event to receive CEUs.

Preneed Recordkeeping and Notifications with Althea D. Ford

This course will outline the triggering events and retention requirements for various preneed activities and notifications.

Preneed Consumer Considerations with Althea D. Ford

This course will assist funeral directors as they talk with consumers about their selection of a preneed funding vehicle.

FEDERALLY MANDATED OSHA FUNERAL HOME TRAINING (2 CEUs)

Participants must attend both segments of the in-person event to receive CEUs.

Full- and part-time as well as per diem funeral home employees, interns, compliance officers and anyone who enters a prep room are required to receive training in OSHA.

Bloodborne Pathogens with George R. Kelder Jr., CFSP

Bloodborne pathogen precautions, exposure determination and effective engineering controls will be reviewed.

Formaldehyde and Hazard Communication with George R. Kelder Jr., CFSP

General workplace safety, formaldehyde exposure and safety and hazard communication will be discussed in this federally mandated training.

FUNERAL DIRECTING ETHICS (1 CEU)

Revealing Your Ethical Funeral Service Orientation with George R. Kelder Jr., CFSP

This course will help funeral directors identify their ethical orientation to better understand why they react the way they do in certain situations.

NEW JERSEY LAW AND RULES (2 CEUs)

Participants must attend both segments of the in-person event to receive CEUs.

Responding to Complaints and a Review of Professional Misconduct with Althea D. Ford

This course will review the role of the State Board of Mortuary Science, the complaint process and issues related to professional misconduct.

Funeral Service Advertising with Althea D. Ford

This course will review the key components of true disclosure; what constitutes and does not constitute advertising; and what is permitted and prohibited in print, on signage and digitally.
